

Interior Designer

Interior Contract Services - Orlando, FL

Full time Project Designer position available with Teknion's oldest contract furniture dealer.

Designers work with Sales team, Clients, Project Coordinators and Project Managers on space planning, creating layouts, and preparing a complete bill of material for orders and install drawings. Our clients range the full spectrum, with jobs from a single office to a fully furnished new building.

Requirements:

- A degree in Interior Design, accredited University preferred.
- 1-5 years experience in design industry.
- 1-3 years experience in commercial furniture dealership preferred.
- Proficient in CAD. Knowledge of CAP Studio/2020 software is preferred.
- Thrive in a fast paced work environment
- Have a positive attitude, a strong work ethic and be self-motivated
- Working knowledge of accessibility codes
- Strong communication skills, both verbal and written
- Detail oriented
- Exceptional customer service skills

Duties Include:

- Space planning, creating layouts and renderings
- Product specification
- Finish selection
- Field Inventory and verification
- Attending and contributing to client meetings
- Meet with sales team regularly to discuss scope of work and layout solutions
