

### **Interior Design Intern**

Architects Design Group, a Winter Park based Architectural Design and Planning Firm seeks an Interior Design Intern. Responsibilities include working with our design team to develop space plans, finish and color selection boards, assist with construction drawings / specifications and prepare furniture procurement / installation documents.

ADG is a 45-year old award winning, design oriented firm selected by the Florida AIA as the 2002-2003 Firm of the Year. We specialize in the creative planning and design of Municipal Facilities. To better understand what we do, view our webpage: [www.adgusa.org](http://www.adgusa.org).

#### Requirements:

- 1-3 years' experience in a similar role
- Proficient in AutoCAD, Revit, Sketchup, Excel, and the Adobe Creative Suite
- Excellent communication, graphic and collaborative skills
- Strong organizational abilities
- Self-motivated
- 

This is an excellent opportunity for career growth in a creative team atmosphere. We offer a competitive benefits package, 401K plan and flex time business schedule. Send a resume and join our team!

No phone calls please! Email or mail your resume and cover letter to: [annamariiek@adgusa.org](mailto:annamariiek@adgusa.org)
