**INTERIOR DESIGN ASSOCIATE**

Due to growth in our firm, Bessolo Design Group is seeking a self-motivated Interior Design Associate for various building and design types.

**REQUIREMENTS**

- Ability to assist with the development of design concepts, produce contract documents, and interpret client needs.
- Must be familiar with design principles, and building code requirements.
- Ability to select appropriate finishes and materials, review shop drawings, create and manage FF & E schedules and budgets for Healthcare and Senior Living projects.
- Capability to develop multiple design themes and oversee all finish and material selections including fabrics, trims, furniture, lighting, fixtures, tile, plumbing fittings and fixtures, and accessories.
- Familiar with a variety of the field's concepts, practices, and procedures for finishes, accessories, and furnishings, and procurement services.
- Have the experience and judgment to plan and accomplish goals, with the ability to demonstrate strong organizational, project multitasking and time management skills.
- A wide degree of creativity and latitude is expected.
- Assists with the development and preparation of presentation drawings and construction documents using AUTOCAD, REVIT, hand drawing, Photoshop and PowerPoint.
- Requires knowledge of interior code requirements and the ability to interpret specifications and layouts.
- Perform reviews and conduct technical research.
- Assist with the preparation and completion of interior design construction documents using AUTOCAD and Revit.
- Ability to be proactive in determining the necessary steps to meet objectives and performance expectations of position.
- Ability to design and present interior elevations, reflected ceiling plans, finish plans, schedules and custom cabinetry.

**QUALIFICATIONS**

- Requires a bachelor's degree.
- 2.5 years' experience. Preference given to those with experience in healthcare, senior facilities, retail, multi-family, single-family, hospitality, hi-rise and mixed use.
- Proficient in AutoCAD, Photoshop, PowerPoint, Excel and Word (Preference given to Revit Experience).
- Must have a positive outlook, demeanor and a team player attitude with the ability to multi-task and take direction in a fast-paced environment.
