

Valencia College is now hiring an **Interior Design Space Planner** to join our Facilities Planning and Operations team.

In this role, you will lead efforts in the smart design choice for each of our Valencia College locations, such as classrooms, offices and labs. The role will include interior design, space planning, procurement and management of all furniture decisions college-wide and will be heavily involved in remodeling, renovation and construction projects providing expertise in space planning and design. Expertise will stretch into handling small construction projects and coordinates reviewing, maintaining accuracy, and processing pay applications for architects, engineers and contractors for small capital projects.

There are plenty of places to find employment, but at Valencia College, you'll find fulfillment. You'll have the opportunity to improve the lives of students, our community and ultimately, our world. So if you are looking for more than just a job, then we are looking for you.
