

PROJECT/INTERIOR DESIGNER

The Orlando office of the BEAUX-ARTS GROUP is seeking a Project/Interior Designer to join their team. The BEAUX-ARTS GROUP is a team of professionals which include licensed architects, interior designers, LEED certified experts and project managers. We provide answers to complex work space challenges in product selection, ergonomics, technology, corporate identity, procurement and installation services.

WHO IS THE RIGHT CANDIDATE

- Have a Bachelor's degree in Interior Design.
- Minimum of three years' experience in commercial and/or healthcare furniture specifications, space planning, technical and installation drawings.
- Experience in systems furniture, coordination of furniture finishes, building and ADA codes and LEED guidelines.
- Develops innovative and sustainable design solutions.
- High level of proficiency in Auto Cad, CAP 20/20 Studio software, Visual Impressions, MS office, photo shop, sketch up, Indesign or other similar rendering programs.
- Assist in design presentations.
- Ability to manage multiple projects simultaneously with changing deadlines.
- Ability to work in a collaborative environment.
- Ability to participate in the quality assurance of documents prepared within the department.

WHO IS THE BEAUX-ARTS GROUP

The BEAUX ARTS GROUP was founded in 1987 by Architects. The company is committed to the full integration of furniture and furnishings into the interior architecture of a project. BEAUX-ARTS GROUP represents KNOLL exclusively in West and Central Florida having regional offices in Tampa, Orlando and Ft. Myers. This past year the BEAUX-ARTS GROUP was awarded the Small Business of the Year Award by the Greater Tampa Chamber of Commerce and the Blue Ribbon Small Business of the Year Award with the U.S. Chamber of Commerce.
